U.S. NATIONAL SKI & SNOWBOARD HALL OF FAME SUCCESSFULLY INDUCTS EIGHTEEN MEMBERS AT ANNUAL INDUSTRY CEREMONY HOSTED IN BIG SKY RESORT, MT *Park City Mountain To Host 2024 Event*

ISHPEMING, MI – The U.S. National Ski & Snowboard Hall of Fame and Museum (The Hall of Fame), the sole national hall of fame and museum who recognizes the athletes and visionaries that have significantly enriched the global sports of skiing and snowboarding in the United States, successfully inducted members from 2021 and 2022 and one member from 2018, cementing their place in history as accomplishing the highest possible industry honor.

"Over 600 individuals attended the ceremonies and the weeklong industry celebrations. Many of our inductees stated that this event was the highlight of their career," stated Justin Koski, Executive Director of the U.S. National Ski & Snowboard Hall of Fame and Museum, Inc. "To be able to host so many accomplished individuals and their families for this once in a lifetime achievement is a really unique experience that is a true testament to their respective dedication to the sport."

Each year, the Hall of Fame manages a revolving list of nominations and works through the selection process to elect the next class of honored members. The process involves over 400 industry advocates and takes place in July and August with its new class being voted on in August and announced mid to late September. The National Hall of Fame inducts its latest class of selected and voted upon inductees into the Hall of Fame during a weeklong Industry Celebration week that changes locations around the country each year. The 2024 U.S. National Ski & Snowboard Hall of Fame induction ceremony is scheduled for Park City Mountain, UT, in March 2024.

For complete bios and photos of the inductees visit: <https://skihall.com/class-of-2021/> & <https://skihall.com/class-of-2022/> & <https://skihall.com/media-hub>
